THE BCC CAMPOUT IS COMING SOON!

JUNE 30th – JULY 3rd

Howard Prairie Lake,
Sugar Pine Campground

Don't miss out on this great time of fellowship and family-fun.

Saturday, July 2nd is our main event – those of you not camping are encouraged to come for a time of sharing, food, and a baptism service. See one of the pastors if you want to be baptized.

TRUTH MATTERS: Finding Truth in Turbulent Times For teens 14 and up, don't miss this important summertime class, taught by Lynn Barton. *Truth Matters* will equip teens with tools for unmasking lies that come their way through unbiblical world views. A key in doing so is not through memorizing lots of information about the various worldviews, but by learning to ask the right questions. Don't miss out on this excellent opportunity for your teens.

What People Are Saying

Who knows what might happen if churches and small groups and families were to watch these videos together, open to God's leading for going and sending? It is a risk to watch them. But the motivation is Gospel grace, not guilt. I cannot recommend too highly these DVDs. - Justin Taylor, Between Two Worlds

This series of presentations gives us a non-hyped view of amazing faithfulnesses—amazing faithfulness of cross-cultural Christian workers, of pastors and, most of all, of God. They are exciting, humbling, faith-building, and prayer-encouraging. - Mark Dever, Capitol Hill Baptist Church

Beware of watching these Dispatches if you don't like being moved and inspired and shaken out of the ruts of your life. My wife and I were riveted in watching the frontline reports of God's work recorded in the Dispatches from the Front. This is the sort of information that builds faith in the present providence of God over his mission, and stirs up action for the sake of lost and hurting people near and far. I would love to see thousands of people mobilized as senders and goers for the sake of the glory of Christ and the relief of suffering on the frontiers, especially eternal suffering. - John Piper, Desiring God
