NO TEEN CLASS TODAY: TRUTH MATTERS: *Finding Truth in Turbulent Times* is taking a break this week, but will be back at it next Sunday where they have been learning about the various unbiblical worldviews that challenge the Christian faith. This Sunday, teens are welcome to either stay in the 2nd service, or join the Cross Training Class.

Now Playing in Cross Training (BCC's Adult Sunday School Class) *Dispatches From The Front:* *Beware of watching these Dispatches if you don't like being moved and inspired and shaken out of the ruts of your life. My wife and I were riveted in watching the frontline reports of God's work recorded in the Dispatches from the Front. This is the sort of information that builds faith in the present providence of God over his mission, and stirs up action for the sake of lost and hurting people near and far. I would love to see thousands of people mobilized as senders and goers for the sake of the glory of Christ and the relief of suffering on the frontiers, especially eternal suffering.*

- John Piper, Desiring God

THE YEAR IS 1963 - CS Lewis, the famous British author, is hosting a group of American writers at his home near Oxford. They are about to experience a captivating evening with a man whose engaging conversation and spontaneous humor made him one of the great raconteurs of his day.

Seated in his living room and in front of a warm fire he recalls the people and events that inspired his thought and shaped his life; of his friendship with J R R Tolkien; why he nearly abandoned the Narnia Chronicles; how he came to embrace Christianity and of the American woman who turned his life upside down.

Described by critics as 'Extraordinary!' 'A Must See!' 'A Master Class' An Evening with CS Lewis - My Life's Journey has proved again and again to be an enthralling theatrical experience and one which has led many thousands to discover (or rediscover) the continuing impact of a man who died over 50 years ago and whose collected works made him one of the literary giants of the 20th Century. Cost: \$25 per person. 10% discount for tickets purchased before September 1, 2016. 15% discount for groups of 12 or more. Performance Dates: Sept 29 and 30 at 7pm at Cornerstone Christian Church in Medford.

AT THE BOOK TABLE: *Hope Heals* by Katherine and Jay Wolf. Rachel Olstad recommended this one. Joni recommends it too: "The book you hold in your hands is so powerful, for if awful things happen to you, you now have a guide . . . *Hope Heals* may well be your most treasured companion through great trial and pain . . . Do not assume you've "heard it all before." Theirs is a story so raw, visceral, and impossibly real that you can't help but identify."
